HAVE YOU CHECKED OUT WHAT'S BEEN ADDED TO CRN?

AFRO TURN UP (55'50)

If you ever wondered what it would be like to go clubbing in Lagos or kick back at a braai (BBQ) in Cape Town, then tune in to the Afro Turn Up with Kix. This show features the best in contemporary African music from the early 90s to present day with special guest interviews. (PBS Radio)

ANOTHER WORLD (55'50)

Another World examines historical, social, cultural and political issues from other cultures through reports, interviews and debates. World music provides an appropriate accompanying dynamic to each week's discussions, as we think about the very different lives that others are born into. (Eastside Radio)

THE CUT (55'50)

Since its inception, hip-hop has exploded into a world-wide movement of freedom, expression and a representation of all who feel injustice. Hosted by The Wicked Bandit, The Cut is a metaphorical and collective space for all who don't fit the mould. (Eastside Radio)

CHECKPOINT (55'50)

A CBAA 2019 Community Radio Awards winner! With the games industry changing often, he show is all about keeping up and breaking down one of the most popular medias in the world. Expect latest major releases and hard-hitting discussions with guests. (JOY 94.9)

DEADLY BEATS (55'50)

Being a long time Hip Hop & RnB artist himself, Big Sexy will bring to the show the classics and the latest jams from around Australia, including interviews with local and national Indigenous Urban Music artists. Tune in to get a true taste of Indigenous Hip Hop & RnB tunes. (Radio Adelaide)

THE INFORMER (27'50)

Get up-to-date daily with all things COVID-19: how it affects you, and what you can do to help stop the spread and keep your communities safe. (JOY 94.9)

HEALTH SPEAK (30 x 10'00 to 12'00)

The fastest (and funniest) way to learn which health professionals you really need in your life. The statistics tell us that most Australians don't know enough "Health Speak" to properly look after their health. From Bum Doctors to Speech Pathologists, Dieticians to Exercise Physiologists, in this podcast Penny Terry rejects the health jargon, bans the big words and leaves the Latin alone as she finds out who these people are, how they can help and what they do... to you. (City Park Radio)

THAT'S WHAT I CALL SCIENCE! (27'50)

A team of women in science and tech bring a fresh perspective to the issues that matter to you. Explore elements of science that are at the heart of our communities. From bushfires to compost, Indigenous Knowledge, brewing beer and the tech behind the world around us. (Edge Radio)
